

## Curriculum vitae of Petr Čársky

### *Born:*

May 29, 1942 at Banská Bystrica (Slovakia)

### *Parents:*

Dr. Viktor Čársky (1910), Ludmila Čárska (1915)

### *Education:*

primary school 1948-1956

high school 1956-1959

Charles University in Prague, Faculty of Science 1959-1964

Czechoslovak Academy of Sciences (graduate school), 1965-1968, Ph.D. 1968

### *Positions:*

Senior researcher, Institute of Organic Chemistry and Biochemistry, Czechoslovak Academy of Sciences, Prague, 1989-90;

Theoretical group leader, J. Heyrovský Institute of Physical Chemistry, Academy of Sciences of the Czech Republic, Prague, since 1990-1996

Deputy director, 1996-2000

Director since 2001.

### *Invited lectures:*

7<sup>th</sup> International Congress of Quantum Chemistry, Menton, France, 1991

3<sup>rd</sup> World Congress of Theoretical Organic Chemists, Toyohashi, Japan, 1993

Molecular Quantum Mechanics: Methods and Applications. An International Conference in Memory of S.F. Boys and in Honour of I. Shavitt. Cambridge, 1995

4<sup>th</sup> World Congress of Theoretical Organic Chemists, Jerusalem, 1996.

9<sup>th</sup> International Congress of Quantum Chemistry, Atlanta, 1997

6<sup>th</sup> Conference on Current Trends in Computational Chemistry, Vicksburg, MS, 1997

Centennial Meeting of the American Physical Society, Atlanta 1999

11<sup>th</sup> European Seminar on Computational Methods in Quantum Chemistry, Zakopane, Poland, 1999.

15<sup>th</sup> Conference of the Interfaces among Mathematics, Chemistry and Computer Sciences, Dubrovnik, Croatia 2000.

14<sup>th</sup> Charles A. Coulson Lecture, Center for Computational Quantum Chemistry, University of Georgia, Athens, Georgia 2001.

4<sup>th</sup> Congress of the International Society for Theoretical Chemical Physics, Marly-le-Roi, France, 2002.

7<sup>th</sup> European Workshop on Quantum Systems in Chemistry and Physics, Casta Papiernicka, Slovakia, 2002.

12<sup>th</sup> European Seminar on Computational Methods in Quantum Chemistry, Zeist, The Netherlands, 2002.

2<sup>nd</sup> Central European Chemical Meeting, Varazdin, Croatia, 2003.

2<sup>nd</sup> Central European Symposium on Theoretical Chemistry, Nove Hrad, Czech Rep., 2003.

Theory and Applications of Computational Chemistry, Gyeongju, Korea, 2004.

American Chemical Society meeting, Symposium Theoretical and Experimental Advances in the Study of Low-Energy Electron-Induced Processes in Complex Systems, Atlanta, USA, 2006.

*Long term visits abroad:*

Postdoctoral fellowship (University of Würzburg, Germany) 4 months in 1968  
Visiting professor at the Vanderbilt University, Nashville, TN, 5 months in 1982  
Associate professor at the Pasteur University, Strasbourg, France, 3 months in 1984  
Research associate at the Vanderbilt University Nashville, Tennessee, 6 months in 1986  
Research associate at the University of Texas at Austin, 2 months in 1989  
Research fellow at the University of Colorado at Boulder, 1 year in 1991-1992.

*Memberships and Service:*

Editorial Board of the Collection of Czechoslovak Chemical Communications, since 1990  
Editorial Board of Theoretica Chimica Acta, since 1991  
Advisory Board of International Journal of Quantum Chemistry, 1990-1994  
Scientific Board of the World Association of Theoretically Oriented Chemists  
Editorial Board of International Journal of Molecular Sciences, since 2000.  
Advisory Board of Journal of Computational Chemistry, since 2005

*Awards and Honor:*

Dr.Sc. 1991  
Fellow of the Czech Learned Society (Učená společnost České republiky) 1994  
International Academy of Quantum Molecular Sciences 1994.

*Home Address:*

Štichova 577, 149 00 Praha 4 - Jižní Město.

*Family stand:*

Married, one son (29 years).
